

Conservation Roundtable Schedule 2017 - 2018
Focus on Climate Change
4th Tuesdays, noon - 1:30 or so

All members and guests are welcome at the Conservation Roundtable programs. With this year's focus on Climate Change, we will be exploring local facilities and projects, and learning about actions that we can take at the local, state and national level. Please bring a brown bag lunch and a beverage of your choice.

September 26

A tour of the City's Solar Array on the Greenwood Street landfill. Meet at noon at the board room of the Upper Blackstone Treatment Plant (50 Route 20, Millbury), then the tour of the array begins at 1:00. Details to come.

October 26

Special Screening of Al Gore's film, An Inconvenient Sequel: Truth to Power,
6:30 pm, Sullivan Building,
Eager Auditorium, Worcester State University

January 23

Meet at noon at Broad Meadow Brook. The speaker is Dan Brown,
Mass Audubon's Climate Change Education and Outreach Coordinator.

March 27

The speaker is tentatively Luba Zhaurova,
Sustainability Project Manager, from Worcester's Energy and Asset Management Division,
to bring us up to date on the City's greening programs.

May 22

A tour of the WPI green roof.
They have installed fall prevention protection in October,
so they can finally open it to the public. Details to come.
